WHAT IS A COMPLAINT NOTIFICATION FORM? WHAT DOES IT DO?

The Complaint Notification Form, prepared by the **Human Rights Platform**, allows individuals to report human rights violations in the northern part of Cyprus. It is used to document violations and support subsequent advocacy efforts. Completing the form takes about 5-10 minutes, and all submissions are treated anonymously.

Through this form, you can report human rights violations in the following thematic areas the Human Rights Platform works on:

- Combating Human Trafficking
- LGBTI+ Rights
- Democratic Rights
- Refugee Rights
- Prohibition of Torture and Conditions of Detention

- **Note:** If your complaint falls outside these areas, please select the **'Other'** option and provide details about the specific area of the rights violation.

● **Why should I report human rights violations?**

Reporting human rights violations is important for ensuring justice, protecting rights, and for advocacy efforts. Complaints help resolve issues and prevent the recurrence of similar violations.
